

Pediatric Emergency Medicine Skills Course for Registered Nurses

Thursday, April 11, 2024
Nemours Children's Hospital, Delaware

This is an intensive one day course designed for Emergency Department Registered Nurses who would like more experience in managing pediatric emergency scenarios. We will provide hands on training in critical pediatric assessment and procedure skills. This will include pediatric specific triage techniques, airway management, vascular access, immobilization, and resuscitation procedures. Using high fidelity simulation, this course will also focus on the crisis resource management skills needed to successfully manage a critically ill pediatric patient.

Learning Objectives

- Discuss the initial and ongoing assessment of a pediatric patient including system specific interventions
- Discuss priorities of care in pediatrics
- Identify potential indicators of child abuse and neglect
- List unique aspects of examining a child with suspected abuse
- List unique features of the pediatric airway
- Describe techniques to obtain vascular access in neonatal and pediatric patients
- Identify indicators of illness and injury in the pediatric patient
- List appropriate medications used in pediatric resuscitation
- Discuss the newest recommendations for advanced life support in pediatric patients
- Manage complex children in the Emergency Department
- Develop an approach to common and unusual pediatric illnesses encountered in the Emergency Department

General Information

Site: The program will be held in the third floor Lecture Hall and the Nemours Children's Institute for Clinical Excellence Simulation Center at Nemours Children's Hospital, located at 1600 Rockland Road in Wilmington, Delaware.

Accreditation: Nemours Children's Hospital, Delaware is approved as a provider of nursing continuing professional development by Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

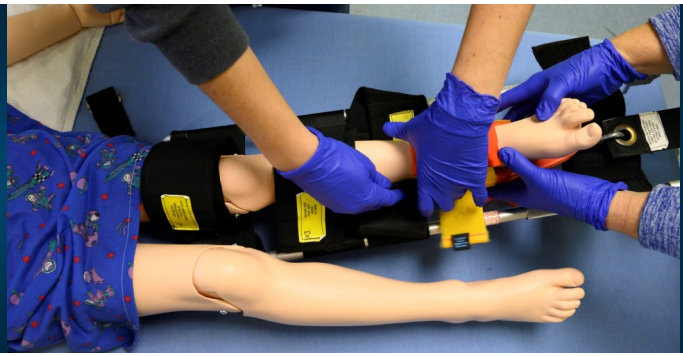

This activity is designated for 7.00 ANCC nursing contact hours.
This activity is designated for 7.00 continuing education credits.

Disclosure: As a provider accredited by the ACCME, Nemours Children's must ensure balance, independence, objectivity, and scientific rigor in its educational activities. All faculty involved in the development of CME content are required to disclose their relevant financial relationships with ineligible entities. An individual has a relevant financial relationship if he/she has a financial relationship in any amount occurring in the last 24 months with an ineligible company whose products or services are discussed in the CME activity content over which the individual has control. Nemours Children's has policies/procedures in place to mitigate relevant financial relationships and their impact on educational content. All relevant financial relationships will be disclosed to the activity audience and mitigated.
