

VIRTUAL

2026 Pediatric Pharmacology Update

SEPTEMBER 25, 2026

About

Join us for this year's **Pediatric Pharmacology Update!** This virtual conference brings together a panel of experts who will provide updates on the most recent pharmacological management strategies for a broad spectrum of pediatric diseases and health issues. Topics will include GLP 1's, seizure medications, mental health topics and an antibiotic update. This is an excellent opportunity for healthcare team members to stay abreast of the latest developments in pediatric pharmacology. We look forward to your participation. Register today!

PROGRAM OBJECTIVES

At the conclusion of this program, participants should be able to:

- Identify and describe the latest advancements in pharmacological treatments for common pediatric conditions, including new drug approvals, updated guidelines, and emerging therapies.
- Learn strategies to enhance medication safety in pediatric populations, focusing on dosage calculations, adverse drug reactions, and the implementation of best practices to minimize medication errors.
- Apply evidence-based practices in clinical settings, utilizing the most current research and trends to inform their prescribing decisions and improve patient outcomes.

TARGET AUDIENCE

Advanced practice providers, nurses, nurse practitioners, physicians, physician assistants, residents, fellows, pharmacists, pharmacy technicians

September 25, 2026
8:00 a.m. - 4:00 p.m.

Non-Nemours Associates	\$150
Nemours Associates	\$0

ACCREDITATION

In support of improving patient care, Nemours Children's Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

Nemours designates this live activity for a maximum of **7.0 AMA PRA Category 1 Credits™**. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Nurses

Nemours Children's Health designates this live activity for a maximum of **7.0** contact hours for nurses. Nurses should only claim credit commensurate with the extent of their participation in the activity.

Nemours Children's Health is accredited by the Florida Board of Nursing to provide nursing continuing education: Provider #50-1428. This course is approved activity for **7.0** contact hours.

To earn nursing contact hours for this activity, please attend the entire presentation and then complete the online evaluation, which will be distributed via email following the presentation.

Pharmacists & Pharmacy Technicians

This activity carries a maximum of **7.0** contact hour(s). Pharmacists should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants/Associates

Nemours Children's Health has been authorized by the American Academy of Physician Associates (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for a maximum of **7.0** AAPA Category 1 CME credits. Physician Associates should only claim credit commensurate with the extent of their participation.

Other Professions

A certificate of participation will be provided to other health care professionals requesting credits. Participants should ensure in advance that their credentialing or licensing organization accepts *AMA PRA Category 1 Credits™*.

SYLLABUS

In the interest of running a greener meeting, all registrants will have access to an online syllabus, which can be viewed from a computer, smart phone, or tablet before or during the conference.

CANCELLATION POLICY

Please notify Allie Goetaski at alyssa.goetaski@nemours.org by September 11. Nemours is not responsible for any cancellation or change fees assessed by airlines, travel agencies or hotels.

DISCLOSURE POLICY

Nemours Children's Health is a jointly accredited provider approved to provide continuing education for physicians, nurses, pharmacists, physician associates, psychologists, social workers, dentists, and athletic trainers. *As an accredited provider, Nemours must ensure balance, independence, objectivity, and scientific rigor in its educational activities. In accordance with the Standards for Integrity and Independence in Accredited Continuing Education, all planners, teachers, and authors involved in the development of CME content are required to disclose their relevant financial relationships that might be germane to the content of the activity. An individual has a relevant financial relationship if he or she has a financial relationship in any amount occurring in the last 24 months with an ineligible company** whose products or services are discussed in the CME activity content over which the individual has control. Nemours has policies/processes in place to mitigate relevant financial relationships. All relevant relationships have been mitigated.

AMERICANS WITH DISABILITIES ACT

In accordance with the Americans with Disabilities Act, the Nemours Children's Health will provide modifications in teaching to accommodate individual needs. To request disability accommodations, please contact the Department of Continuing Education at least 15 days in advance of the program at alyssa.goetaski@nemours.org.
