Pediatric Musculoskeletal Ultrasound: Infant Hip and Other Applications

March 4-5, 2027

Nemours Children's Hospital, Delaware
1600 Rockland Road, Wilmington, Delaware
Third Floor | Lecture Hall

NEMOURS
CHILDREN'S HEALTH

Course Description

Infant hip ultrasound has been established as a highly sensitive and specific imaging modality when accurately performed by properly trained examiners. This course will teach the diagnostic medical sonographer, radiologist, and orthopedic surgeon the essential elements of the hip examination technique and the role of hip sonography in the diagnosis and management of developmental dysplasia of the hip (DDH).

This course includes approximately five hours of clinical scanning. Under the supervision of experienced faculty, participants will have the opportunity for hands-on experience performing infant hip and spine studies in our orthopedic clinic. Other musculoskeletal applications, including the infant spine, will be discussed.

Learning Objectives

At the conclusion of this program, participants should be able to:

1. Demonstrate adequate skills in performing a complete dynamic hip ultrasound and neonatal spine ultrasound.
2. Distinguish normal hips from abnormal hips on dynamic hip ultrasound.
3. Describe both clinical and imaging guidelines for hip dysplasia screening.
4. Implement required elements for performing and reporting of dynamic hip ultrasound.

Target Audience

Radiologists, Sonographers, and Orthopedic Surgeons

Course Registration

Advanced registration is required. All registrations received will be confirmed via e-mail. Registration is limited and will be honored in the order of the date received. The conference fee includes materials, breakfast, lunch, dinner (Thursday only), and refreshments.

Registration with a credit card: If you are paying by MasterCard, Visa, American Express or Discover Card, please complete the payment form after you have completed the registration form.

Registration Rates	
Physicians & Fellows	$500
Sonographers	$400
All Other Registrants	$400
Audit/Observation Participant	$100

Conference Dinner

The Department of Medical Imaging will be hosting a dinner at Big Fish Grill on the Wilmington Waterfront for registrants and faculty on Thursday evening. The cost of the dinner is included in your registration fee.

Disclosure Policy
Nemours Children's Health is a jointly accredited provider approved to provide continuing education for physicians, nurses, pharmacists, physician associates, psychologists, social workers, dentists, and athletic trainers. *As an accredited provider, Nemours must ensure balance, independence, objectivity, and scientific rigor in its educational activities. In accordance with the Standards for Integrity and Independence in Accredited Continuing Education, all planners, teachers, and authors involved in the development of CME content are required to disclose their relevant financial relationships that might be germane to the content of the activity. An individual has a relevant financial relationship if he or she has a financial relationship in any amount occurring in the last 24 months with an ineligible company** whose products or services are discussed in the CME activity content over which the individual has control. Nemours has policies/processes in place to mitigate relevant financial relationships. All relevant relationships have been mitigated.

An ineligible company is defined as an entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. For specific examples of ineligible companies visit accme.org/standards.

Physician Accreditation
Nemours is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Nemours designates this live activity for a maximum of 12.5 *AMA PRA Category 1 Credits™.* Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification:
American Board of Pediatrics MOC Part 2: Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 12.5 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

American Board of Surgery and American Board of Orthopaedic Surgery MOC Part 2: Successful completion of this CME activity enables the learner to earn credit toward the CME requirement(s) of the American Board of Surgery's Continuous Certification program and the American Board of Orthopaedic Surgery's Maintenance of Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS and ABOS credit.

Syllabus
In the interest of running a greener meeting, all registrants will have access to an online syllabus, which can be viewed from a computer, smart phone, or tablet before or during the conference. There will be complimentary WiFi in the meeting rooms. PLEASE NOTE: There will not be a print syllabus offered at the conference.

Americans with Disabilities Act
In accordance with the Americans with Disabilities Act, Nemours Children's Health will provide modifications in teaching me to accommodate individual needs. To request disability accommodations, please contact the Department of Medical Education at least 15 days in advance of the program at Mackenzie.Weber@Nemours.org.

For More Information
Contact Mackenzie Weber at Mackenzie.Weber@Nemours.org.
