

VIRTUAL

2024 Pediatric Pharmacology Update

SEPTEMBER 27, 2024

About

Join us for this year's **Pediatric Pharmacology Update!** This virtual conference brings together a panel of experts who will provide updates on the most recent pharmacological management strategies for a broad spectrum of pediatric diseases and health issues. Topics will include Pediatric Dyslipidemia, Hypertension and Statin Management, Emerging Vaccines, Mental Health and an Endocrine Update. This is an excellent opportunity for healthcare team members to stay abreast of the latest developments in pediatric pharmacology. We look forward to your participation. Register today!

PROGRAM OBJECTIVES

At the conclusion of this program, participants should be able to:

- Explain current practices/trends in immunizations for pediatric patients.
- Implement improved safety around the prescribing of antimicrobials for pediatric patients.
- Verbalize appropriate opportunities to manage and potentially refer out to subspecialty providers for the management of the following, but not limited to, hyperlipidemia, hypertension, mental health, endocrinology.

TARGET AUDIENCE

Advanced practice providers, nurses, nurse practitioners, physicians, physician assistants, residents, fellows, pharmacists, pharmacy techs

Nemours Associates	\$0

ACCREDITATION

Physicians

Nemours is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Nemours designates this live activity for a maximum of 5.75 *AMA PRA Category 1 Credits™*. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Nurses

Nemours Children's Hospital, Delaware is approved as a provider of nursing continuing professional development by Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

To earn nursing contact hours for this activity, please attend the entire presentation and then complete the online evaluation, which will be distributed via email following the presentation.

Other Professions

A certificate of participation will be provided to other health care professionals requesting credits. Participants should ensure in advance that their credentialing or licensing organization accepts *AMA PRA Category 1 Credits™*.

CANCELLATION POLICY

Please notify Allie Goetaski at alyssa.goetaski@nemours.org by September 13. Nemours is not responsible for any cancellation or change fees assessed by airlines, travel agencies or hotels.

DISCLOSURE POLICY

As a provider accredited by the Accreditation Council for Continuing Medical Education (ACCME), we must ensure balance, independence, objectivity and scientific rigor in all educational activities. In accordance with the Standards for Integrity and Independence in Accredited Continuing Education, all planners, teachers and authors involved in the development of CME content are required to disclose their relevant financial relationships that might be germane to the content of the activity. An individual has a relevant financial relationship if they have a financial relationship in any amount occurring in the last 24 months with an ineligible company whose products or services are discussed in the CME activity content over which the individual has control. We have policies/processes in place to mitigate relevant financial relationships. All relevant relationships will be mitigated.

AMERICANS WITH DISABILITIES ACT

In accordance with the Americans with Disabilities Act, the Nemours Children's Health will provide modifications in teaching me to accommodate individual needs. To request disability accommodations, please contact the Department of Continuing Education at least 15 days in advance of the program at alyssa.goetaski@nemours.org.

SYLLABUS

In the interest of running a greener meeting, all registrants will have access to an online syllabus, which can be viewed from a computer, smart phone, or tablet before or during the conference.

QUESTIONS

Contact Allie Goetaski, Nemours Children's Health, Office of Continuing Education, at alyssa.goetaski@nemours.org.
