

## Banquet Beverage Guidelines

### Alcoholic Beverage Service

As a licensee of the State Alcoholic Beverage Control Authority, this Club strictly adheres to all laws and regulations pertaining to the service and sale of alcoholic beverages. We ask your understanding and must insist upon your cooperation in preventing sales to minors or intoxicated persons.

In compliance with State Law, no one under 21 years of age will be served any alcoholic beverage(s). No one under 21 will be supplied any alcoholic beverage(s) by any individual attending a function. “Shots” of alcohol or “shooters” will not be permitted for any function. Some forms of “Rocks” drinks ordered may not be served at Management Discretion.

The General Manager, with the support of the Board of Governors, has instructed each employee who serves alcoholic beverages to refuse to serve the same to any person requesting service in violation of the law or whenever the person requesting service has (in the employee’s unrestricted judgment) consumed an excessive amount of alcohol in a given time period. Such refusal shall at all times be respected and complied with by the person, his/her families and guests. This compliance shall take place without contemporaneous adverse comments or breach of the decorous conduct. Any person found to be giving alcohol to a minor would be subject to removal from all the premises along with that person. All function attendees must comply with the above policy.
